We're proud to be among the top providers of in-home care and respite services, and proudly serve patients in **Dallas, TX, Louisville, KY, and Lincoln, NE.** With our service, your loved ones will receive quality care from professionally trained caregivers in the comfort of their own home or assisted living facility.

Core Values

- Compassion** We express a warmth and understanding to all our clients and staff in good and tough times.
-
- Excellence** We continue to grow our staff through training and education to produce amazing results.
-
- Dignity** We provide care that promotes a person's self-esteem by acknowledging their abilities and desires and not doing anything that can undermine it.
-
- Diversity** We show respect for all cultures, religions, ethnicities, sexual orientation, ages, genders, and disabilities.
-
- Family** We treat all our clients and staff how we want our family to be treated.
-
- Impact** We intend to leave a positive impression on every person we meet.
-
- Responsibility:** We are accountable by using communication effectively.

Private Duty Home Health Aides

We provide the top caregivers trained by industry experts in areas including bathing, transferring, toileting, medication management, meal preparation, and other activities of daily living.

Respite Care

The purpose of respite care is to provide relief for full-time family caregivers so they can take a break from their daily care duties. We offer respite for all adults, as well as children 6 months and older with special health care needs.

Childcare

We offer childcare to children 6 months and older with special health care needs. Care includes supervision and safety, diapering, feeding, and medication administration.

Pet care

Need a caring person to look after your furry friend? We offer pet care as an add-on service for our clients.

Payment & Insurance

We're thrilled that you're considering using our services. We accept all payments that cover in-home care and non-medical care duties. Give us a call for more information and to discuss payment options. Below are some of the payment options:

- ✔ Private Pay
- ✔ Vet Service
- ✔ Medicaid Waiver
- ✔ Long Term Insurance
- ✔ Medicare Advantage
